AN INVITATION TO SUPPORT THE 2025 STAND UP RURAL AMERICA SUMMIT

I'd like to personally invite you to participate in the Stand Up Rural America Summit to be held in Canyon, Texas on July 29-July 31, 2025. This Stand Up Rural America Summit will feature more than 18 nationally renowned subject matter experts, rural trailblazers, positive disruptors and successful economic development practitioners.

Topics covered in Stand Up Rural America events include forward planning, leadership, entrepreneurship, collaboration, downtown revitalization, marketing, regionalism, business retention & expansion, infrastructure, effective communications, rural retail, housing, rural broadband, talent development, technology tools and much more.

I am respectfully asking you to join us at an event designed specifically for Rural America. Our participants receive tangible tools and strategies to help cities, counties and regions grow. This event is packed with informative and dynamic panels, presentations, discussions, networking and recognizing what makes Rural America special. The Stand Up Rural America brand has hosted highly successful Summits and Forums across the USA including Tulsa, OK; Charleston, WV; Somerset, KY; Mulvane, KS; Laurel, MS; Decorah, IA and French Lick, IN while garnering high praise for the superior level of speakers, quality content and excellent networking opportunities.

The Summit is coordinated by ACCELERATION by design LLC. It has been my honor and privilege to work with more than 400 rural communities and regions throughout my 34+ year economic development career.

This Forum is perfect for Economic Development Organizations, Chambers of Commerce, Cities, Counties, Regional Groups, Utilities, Industry Leaders, Lenders, Board Members, Elected Officials, Community Volunteers, Local Businesses and anyone with a vested interest in the growth and prosperity of Rural America.

There are many benefits available to sponsors of the Summit and we will also provide a vibrant exhibit area. Registration for the Forum will be handled directly through ACCELERATION by design LLC.

Ever mindful of the limited resources of our participants, the support of the hosts and sponsors allows us to keep the registration costs affordable while insuring our commitment to a high quality learning and networking experience. We offer an abundance of host and sponsors benefits, aggressive pre-event, at-event and post-event promotion of our hosts, speakers, sponsors and the host region.
